Road Milling Operative

Description

About TL Rail & Construction

At TL Rail & Construction, we are more than just a construction company—we are a team committed to growth, excellence, and teamwork. With 5 years of guaranteed work lined up, we offer job security and exciting opportunities to work on high-impact telecom and civil engineering projects.

Why Work With Us?

Team Culture: We believe in collaboration and encourage team players who align with our values of excellence and mutual support.

Career Development: With structured onboarding, daily feedback, and regular performance reviews, you'll feel supported and valued from day one.

Purpose-Driven Work: Experienced operatives are encouraged to mentor new team members, ensuring that our core values and skills are passed down.

Recognition & Rewards: We offer competitive pay, performance-based bonuses, and a strong commitment to internal growth.

Road Milling Team / Operatives

Location: Liverpool / North West

Salary: Competitive – Based on experience

Job Type: Full-time, Permanent

Hours: Day & Night shifts available

About the Role:

We are looking for experienced Road Milling Operatives to join our growing team. You will be responsible for operating road planers, assisting with milling operations, and ensuring efficient removal of road surfaces in preparation for resurfacing. The role requires working on live highways, construction sites, and major infrastructure projects.

Join us and be part of a team shaping the future of road infrastructure!

Job Types: Full-time, Permanent

Pay: £22,880.00-£62,290.68 per year

Responsibilities

Operate road planers and associated machinery safely and efficiently.
